Company Introduction

Established in 2010, **Matashree Hospitality Services** is a professionally managed industrial catering and hospitality services company providing large-scale food and facility management solutions to leading industrial organizations.

With extensive experience in industrial catering, institutional food services, housekeeping, guest-house management and manpower solutions, Matashree focuses on delivering consistent food quality, hygiene, operational discipline, statutory compliance and customer satisfaction.

Our operational strength is built around trained manpower, standardized processes, centralized procurement, quality controls and strong site-level management.

We work closely with our clients to understand their workforce profile, shift patterns, food preferences, operational requirements and budget expectations—developing customized solutions that are efficient, scalable and sustainable.

Proprietor's Message

To begin with I would like to say that vision is one of the key tool available to any Proprietor to inspire the people in the organization. Vision without action is merely a dream but vision with action can change the world. Teamwork makes the dream work, but a vision become more enjoyable, when the leader has a big dream and a great team. My motto as the Proprietor is Specific, Measurable, Achievable, Realistic and Time bound. I do not compromise on quality and do not let others do the same in my organization.
